This adaptation of the classic sliding block puzzler Rush Hour offers four levels of challenge – easy, medium, hard and expert. The tutorial is excellent and the help button shows children the next step if they need help. One of the amazing features is the solve button, which shows step by step how to solve the puzzle. It may feel like cheating, but on more advanced levels, children will still be prompted to solve puzzles even after seeing the solution. Rush Hour is an engaging puzzle game with great help features that make it even better than the original.
